## Admission Consultance For MBBS

You are at the right place as we are going to discuss everything about MBBS in India, also known as Bachelor's of Medicine and Bachelor's of Surgery. MBBS is one of the pre-dominant medical graduate degrees and every candidate having a thought of medical courses, their first choice is to opt for MBBS as a medical course that is why MBBS is one of the most required programs after 12th. To become successful in the Medical and Health science field, one needs to specialize by pursuing Post-graduation and Research studies in Medical like MBBS.

THE BRAIN STORM is the best place where you get all the information regarding Fees, Exams, Placements etc., as well as all PG branches. Candidates after pursuing Medical courses such as MBBS in India are not only benefited financially but the status and registration of the medical practitioners are also high. We can also guide in the right and best direction to choose the best colleges available.

MBBS is a 5.5-year degree program that includes 4.5 years of Academic Education and 1 year of compulsory rotator internship which includes serving in a hospital.

All and all we can say that MBBS is a good choice for you if you want to make your career in the Medical field.
